

October 1, 1983

Mr. C. Reid Whipple, Chairman,
Board of Directors, MRAC,
2120 North 86th Street
Wauwatosa, WI 53226

Dear Reid:

Mr. Bernard D. Moores, KOKIM, has requested that he be elevated to the Life Membership Grade in the club. He appears to more than meet the requirements. He was 60 years of age on February 17, 1983, and I have traced his membership back to at least 1961. That is more than the required twenty years.

Please get the assent of the majority of the Board members and then have the Secretary issue a 'Life Membership' certificate for Bernie.

The Treasurer and Lil should both be informed so that the records are properly up-dated.

Bernie tells me that he expects to continue to pay the full dues as long as he is able.

Respectfully,

H. Charles Kaetel,
Business Manager, MRAC
